Dear Friends of Grace Bible Camp,

It is with mixed emotions that I write this letter. As you well know, we have had several problems regarding our camp facilities. The largest was our pool situation. However, we decided that this year we would step out by faith and open camp, all the while, praying that God would supply our need or give us a sign that we should close camp. We were planning to put two above-ground pools that would sit on the same area that our in-ground pools sat.

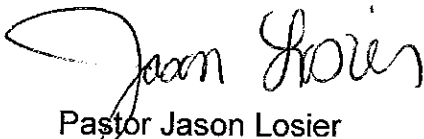

Recently, God has answered our prayers regarding the camp in a surprising way. He closed the doors to our camp ministry altogether. Through several different circumstances we realized that God was calling us into new ministries and away from the camp ministry. Grace Bible Camp has been a huge part of the ministry at Grace Bible Church for over forty years, and the lives that have been touched are too numerous to count. It was only after prayerful consideration that our church has voted unanimously to shut the camp down.

It is our prayer that you, a constant friend of Grace Bible Camp, will be able to find another camp where you can grow in God's Word, make life-long friends, and make lasting decisions for the Lord. We are also looking for a camp that we can send our church children to in the future. If we can be of any assistance to you in your search for a new camp home please feel free to call us.

I want to express my appreciation for our amazing God. He guides our steps and causes us to find peace even when the path He has for us is not what we are expecting. I love the fact that God, in His infinite mercy, opened other doors for us to serve Him, causing us to realize that His plan is always perfect.

If you have any questions about the camp, please feel free to contact our ministry office at the number above.

Because of Calvary,

Pastor Jason Losier
