NOTE HOME

END OF THE YEAR FIELD TRIP: On Thursday, May 26, 2011, we will hold a field trip for first through twelfth grade. We will be traveling to the Carnegie Science Center in Pittsburgh. The cost of the field trip is \$13.00 per student. Money will need to be turned in by Friday, May 20. We will be traveling by bus; however, if a parent would like to attend they will need to drive in a separate vehicle because of lack of room on the bus. We will need to know if any parents are attending by Monday. Kindergarten parents can attend with their child, but we will also need to know before Monday.

BOOK FEES: The book fee prices for next year have been published. Please see the attached sheet. Please read the whole sheet over in its entirety.

GRADUATION: Please remember that kindergarten and senior graduation will be held next Friday, May 20 at 7:00 P.M. At least one parent from each family should plan to attend. Eighth grade students and up participate in the graduation ceremony and should be here by 6:45 P.M. They should be dressed in church clothes that are dress code appropriate.

FINALS: There will be finals for seventh through twelfth grade on Monday through Wednesday, May 23-25. Seniors will have the privilege of open campus. This means that they can come and take their finals whenever they want during those three days; however, once they are here they need to be testing and then leave immediately following the tests. If they are planning to follow the normal day schedule they will need to follow all school guidelines. Official diplomas will be granted immediately following the last final.

KINDERGARTEN / PRE-SCHOOL END OF SCHOOL: Pre-School and kindergarten will be finished with school on Friday, May 20. Please make arrangements to take your child's entire belongings home on this day.

END OF SCHOOL: The end of school for first through eleventh grade will be on Friday, May 27 at noon. Students will need to take all their belongings with them. There will be NO school picnic this year, due to scheduling differences with Idlewild Park.

I give my child, _____, permission to attend the field trip to Carnegie Science Center on Thursday, May 26, with Grace Bible Academy. I understand that my child will be riding in a bus with the staff and students, and will return to school by 3:00 in order to catch their normal bus home.

SPECIAL NOTICE PROMPT ACTION IS NEEDED **

Throughout the years we have had so much trouble with students coming to school without books. This makes for a terrible academic environment. In the past we have made copies of the books until the child's books arrive; however, we have also been informed that it is absolutely against the law to make copies of the books. A student must have their books in order to matriculate through their course work.

Therefore, we will not admit a child into school until their books are on school property. It is highly recommended that, even if you can not make the early bird special, you begin making book payments to the school now. That way your books are paid for in the appropriate time frame. Feel free to call the school in order to put your fee on your credit card.

If you have any questions please feel free to call the school office. We thank you for your cooperation in this matter.
